Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the Company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section H., Definitions.

A. Coverage

We will pay for direct physical loss of or damage to Covered Property at the premises described in the Declarations caused by or resulting from any Covered Cause of Loss.

1. Covered Property

Covered Property, as used in this Coverage Part, means the type of property described in this section, A.1., and limited in A.2., Property Not Covered, if a Limit of Insurance is shown in the Declarations for that type of property.

a. **Building**, meaning the building or structure described in the Declarations, including:

- (2) Fixtures, outside of individual units, including outdoor fixtures;
- (3) Permanently installed:
 - (a) Machinery; and
 - (b) Equipment;
- (4) Personal property owned by you that is used to maintain or service the building or structure or its premises, including:
 - (a) Fire-extinguishing equipment;

(6) Any of the following types of property contained within a unit, regardless of ownership, if your Condominium Association Agreement requires you to insure it:

(a) Fixtures, improvements and alterations that are a part of the building or structure; and

(b) Appliances, such as those used for refrigerating, ventilating, cooking, dishwashing, laundering, security or housekeeping.

But Building does not include personal property owned by, used by or in the care, custody or control of a unit-owner except for personal property listed in Paragraph A.1.a.(6) above.

b. **Your Business Personal Property** located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises, consisting of the following:

(2) Your interest in the labor, materials or services furnished or arranged by you on personal property of others;

But Your Business Personal Property does not include personal property owned only by a unit-owner.

- c. Personal Property Of Others** that is:

 - (2) Located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

3. Covered Causes Of Loss

See applicable Causes Of Loss Form as shown in the Declarations.

4. Additional Coverages

a. Debris Removal

(1) Subject to Paragraphs (3) and (4), we will pay your expense to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.

(2) Debris Removal does not apply to costs to:

- (a) Extract "pollutants" from land or water; or
- (b) Remove, restore or replace polluted land or water.

(3) Subject to the exceptions in Paragraph (4), the following provisions apply:

(a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.

(b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

(4) We will pay up to an additional \$10,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:

(a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.

(b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if (4)(a) and/or (4)(b) apply, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$10,000.

(5) Examples

The following examples assume that there is no Coinsurance penalty.

EXAMPLE #1

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 50,000
Amount of Loss Payable:	\$ 49,500
	(\$50,000 – \$500)
Debris Removal Expense:	\$ 10,000
Debris Removal Expense Payable:	\$ 10,000
	(\$10,000 is 20% of \$50,000.)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3).

EXAMPLE #2

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 80,000
Amount of Loss Payable:	\$ 79,500
	(\$80,000 – \$500)
Debris Removal Expense:	\$ 30,000
Debris Removal Expense Payable	
Basic Amount:	\$ 10,500
Additional Amount:	\$ 10,000

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: $\$80,000 (\$79,500 + \$500) \times .25 = \$20,000$; capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$30,000) exceeds 25% of the loss payable plus the deductible (\$30,000 is 37.5% of \$80,000), and because the sum of the loss payable and debris removal expense ($\$79,500 + \$30,000 = \$109,500$) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$10,000, the maximum payable under Paragraph (4). Thus the total payable for debris removal expense in this example is \$20,500; \$9,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary for you to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$1,000, unless a higher limit is shown in the Declarations, for your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

No Deductible applies to this Additional Coverage.

d. Pollutant Clean-up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is \$10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

e. Increased Cost Of Construction

- (1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with enforcement of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in e.(3) through e.(9) of this Additional Coverage.
- (3) The ordinance or law referred to in e.(2) of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises, and is in force at the time of loss.
- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:
 - (a) You were required to comply with before the loss, even when the building was undamaged; and
 - (b) You failed to comply with.

(5) Under this Additional Coverage, we will not pay for:

(a) The enforcement of any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or

(b) Any costs associated with the enforcement of an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

(6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is \$10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of: \$10,000 or 5% times the value of the damaged building as of the time of loss times the applicable Coinsurance percentage.

The amount payable under this Additional Coverage is additional insurance.

(7) With respect to this Additional Coverage:

(a) We will not pay for the Increased Cost of Construction:

(i) Until the property is actually repaired or replaced, at the same or another premises; and

(ii) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

(b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of e.(6) of this Additional Coverage, is the increased cost of construction at the same premises.

(c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of e.(6) of this Additional Coverage, is the increased cost of construction at the new premises.

(8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion, to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.

(9) The costs addressed in the Loss Payment and Valuation Conditions, and the Replacement Cost Optional Coverage, in this Coverage Form, do not include the increased cost attributable to enforcement of an ordinance or law. The amount payable under this Additional Coverage, as stated in e.(6) of this Additional Coverage, is not subject to such limitation.

f. Electronic Data

(1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered, Electronic Data.

(2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.

- (3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage, Electronic Data, subject to the following:
- (a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Electronic Data, is limited to the "specified causes of loss" as defined in that form, and Collapse as set forth in that form.
 - (b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Electronic Data, includes Collapse as set forth in that form.
 - (c) If the Causes Of Loss Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Electronic Data.
 - (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.
- (4) The most we will pay under this Additional Coverage, Electronic Data, is \$2,500 for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

a. Newly Acquired Or Constructed Property

(1) Buildings

You may extend the insurance that applies to Building to apply to:

- (a) Your new buildings while being built on the described premises; and
- (b) Buildings you acquire at locations, other than the described premises, intended for:
 - (i) Similar use as the building described in the Declarations; or
 - (ii) Use as a warehouse.

The most we will pay for loss or damage under this Extension is \$250,000 at each building.

(2) Your Business Personal Property

- (a) If this policy covers Your Business Personal Property, you may extend that insurance to apply to:
 - (i) Business personal property, including such property that you newly acquire, at any location you acquire other than at fairs, trade shows or exhibitions;
 - (ii) Business personal property, including such property that you newly acquire, located at your newly constructed or acquired buildings at the location described in the Declarations; or
 - (iii) Business personal property that you newly acquire, located at the described premises.

The most we will pay for loss or damage under this Extension is \$100,000 at each building.

- (b) This Extension does not apply to:
 - (i) Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or

- (ii) Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.

(3) Period Of Coverage

With respect to insurance on or at each newly acquired or constructed property, coverage will end when any of the following first occurs:

- (a) This policy expires;
- (b) 30 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or
- (c) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

b. Personal Effects And Property Of Others

You may extend the insurance that applies to Your Business Personal Property to apply to:

- (1) Personal effects owned by you, your officers, your partners or members, your managers or your employees. This Extension does not apply to loss or damage by theft.
- (2) Personal property of others in your care, custody or control.

The most we will pay for loss or damage under this Extension is \$2,500 at each described premises. Our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

c. Valuable Papers And Records (Other Than Electronic Data)

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered, Electronic Data.

- (2) If the Causes Of Loss – Special Form applies, coverage under this Extension is limited to the "specified causes of loss" as defined in that form, and Collapse as set forth in that form.

- (3) If the Causes Of Loss – Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.

- (4) Under this Extension, the most we will pay to replace or restore the lost information is \$2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist), and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and therefore coverage of such costs is not additional insurance.

d. Property Off-premises

- (1) You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:

- (a) Temporarily at a location you do not own, lease or operate;

- (b) In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or

- (c) At any fair, trade show or exhibition.

- (2) This Extension does not apply to property:

- (a) In or on a vehicle; or

- (b) In the care, custody or control of your salespersons, unless the property is in such care, custody or control at a fair, trade show or exhibition.

- (3) The most we will pay for loss or damage under this Extension is \$10,000.

e. Outdoor Property

You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), trees, shrubs and plants (other than "stock" of trees, shrubs or plants), including debris removal expense, caused by or resulting from any of the following causes of loss if they are Covered Causes of Loss:

- (1) Fire;
- (2) Lightning;
- (3) Explosion;
- (4) Riot or Civil Commotion; or
- (5) Aircraft.

The most we will pay for loss or damage under this Extension is \$1,000, but not more than \$250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

f. Non-owned Detached Trailers

(1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:

- (a) The trailer is used in your business;
- (b) The trailer is in your care, custody or control at the premises described in the Declarations; and
- (c) You have a contractual responsibility to pay for loss or damage to the trailer.

(2) We will not pay for any loss or damage that occurs:

- (a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;
- (b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.

(3) The most we will pay for loss or damage under this Extension is \$5,000, unless a higher limit is shown in the Declarations.

(4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

B. Exclusions And Limitations

See applicable Causes Of Loss Form as shown in the Declarations.

C. Limits Of Insurance

The most we will pay for loss or damage in any one occurrence is the applicable Limit of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs, whether or not the sign is attached to a building, is \$2,500 per sign in any one occurrence.

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) of Insurance shown in the Declarations for any other coverage:

1. Fire Department Service Charge;
2. Pollutant Clean-up And Removal;
3. Increased Cost Of Construction; and
4. Electronic Data.

Payments under the Preservation Of Property Additional Coverage will not increase the applicable Limit of Insurance.

D. Deductible

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss, and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

EXAMPLE #1

(This example assumes there is no Coinsurance penalty.)

Deductible:	\$ 250
Limit of Insurance - Building #1:	\$ 60,000
Limit of Insurance - Building #2:	\$ 80,000
Loss to Building #1:	\$ 60,100
Loss to Building #2:	\$ 90,000

The amount of loss to Building #1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Building #1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Building #1:

$$\begin{array}{r} \$ 60,100 \\ - \quad 250 \\ \hline \end{array}$$

\$ 59,850 Loss Payable – Building #1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Building #2. Loss payable for Building #2 is the Limit of Insurance of \$80,000.

Total amount of loss payable:

\$59,850 + \$80,000 = \$139,850

EXAMPLE #2

(This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example #1.

Loss to Building #1:	\$ 70,000
(Exceeds Limit of Insurance plus Deductible)	
Loss to Building #2:	\$ 90,000
(Exceeds Limit of Insurance plus Deductible)	
Loss Payable – Building #1:	\$ 60,000
(Limit of Insurance)	
Loss Payable – Building #2:	\$ 80,000
(Limit of Insurance)	
Total amount of loss payable:	\$ 140,000

E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

a. You must see that the following are done in the event of loss or damage to Covered Property:

- (1) Notify the police if a law may have been broken.
- (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
- (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
- (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.

(5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.

(6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

(7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.

(8) Cooperate with us in the investigation or settlement of the claim.

b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Loss Payment

a. In the event of loss or damage covered by this Coverage Form, at our option, we will either:

(1) Pay the value of lost or damaged property;

(2) Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;

(3) Take all or any part of the property at an agreed or appraised value; or

(4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.

b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.

c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.

d. We will not pay you more than your financial interest in the Covered Property.

e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.

f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.

g. We will pay for covered loss or damage to Covered Property within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part and:

(1) We have reached agreement with you on the amount of loss; or

(2) An appraisal award has been made.

If you name an insurance trustee, we will adjust losses with you, but we will pay the insurance trustee. If we pay the trustee, the payments will satisfy your claims against us.

h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

6. Unit-owner's Insurance

A unit-owner may have other insurance covering the same property as this insurance. This insurance is intended to be primary, and not to contribute with such other insurance.

7. Vacancy

a. Description Of Terms

(1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in (1)(a) and (1)(b) below:

(a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

(b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

(i) Rented to a lessee or sub-lessee and used by the lessee or sub-lessee to conduct its customary operations; and/or

(ii) Used by the building owner to conduct customary operations.

(2) Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

(1) We will not pay for any loss or damage caused by any of the following even if they are Covered Causes of Loss:

(a) Vandalism;

(b) Sprinkler leakage, unless you have protected the system against freezing;

(c) Building glass breakage;

(d) Water damage;

(e) Theft; or

(f) Attempted theft.

(2) With respect to Covered Causes of Loss other than those listed in b.(1)(a) through b.(1)(f) above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

8. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

a. At actual cash value as of the time of loss or damage, except as provided in b. and c. below.

b. If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is \$2,500 or less, we will pay the cost of building repairs or replacement.

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property. However, the following property will be valued at the actual cash value even when attached to the building:

(1) Awnings or floor coverings;

(2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or

(3) Outdoor equipment or furniture.

c. Glass at the cost of replacement with safety-glazing material if required by law.

9. Waiver Of Rights Of Recovery

We waive our rights to recover payment from any unit-owner of the condominium that is shown in the Declarations.

F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies.

- a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

- (1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;
- (2) Divide the Limit of Insurance of the property by the figure determined in Step (1);
- (3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step (2); and
- (4) Subtract the deductible from the figure determined in Step (3).

We will pay the amount determined in Step (4) or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

EXAMPLE #1 (UNDERINSURANCE)

When: The value of the property is: \$ 250,000
The Coinsurance percentage for it is: 80%
The Limit of Insurance for it is: \$ 100,000
The Deductible is: \$ 250
The amount of loss is: \$ 40,000

Step (1): $\$250,000 \times 80\% = \$200,000$

(the minimum amount of insurance to meet your Coinsurance requirements)

Step (2): $\$100,000 \div \$200,000 = .50$

Step (3): $\$40,000 \times .50 = \$20,000$

Step (4): $\$20,000 - \$250 = \$19,750$

We will pay no more than \$19,750. The remaining \$20,250 is not covered.

EXAMPLE #2 (ADEQUATE INSURANCE)

When: The value of the property is: \$ 250,000
The Coinsurance percentage for it is: 80%
The Limit of Insurance for it is: \$ 200,000
The Deductible is: \$ 250
The amount of loss is: \$ 40,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ($\$250,000 \times 80\%$). Therefore, the Limit of Insurance in this example is adequate and no penalty applies. We will pay no more than \$39,750 ($\$40,000$ amount of loss minus the deductible of \$250).

- b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

EXAMPLE #3

When: The value of the property is:
Building at Location #1: \$ 75,000
Building at Location #2: \$ 100,000
Personal Property at Location #2: \$ 75,000
\$ 250,000
The Coinsurance percentage for it is: 90%
The Limit of Insurance for Buildings and Personal Property at Locations #1 and #2 is: \$ 180,000
The Deductible is: \$ 1,000
The amount of loss is:
Building at Location #2: \$ 30,000
Personal Property at Location #2: \$ 20,000
\$ 50,000

Step (1): $\$250,000 \times 90\% = \$225,000$

(the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step (2): $\$180,000 \div \$225,000 = .80$

Step (3): $\$50,000 \times .80 = \$40,000$

Step (4): $\$40,000 - \$1,000 = \$39,000$

We will pay no more than \$39,000. The remaining \$11,000 is not covered.

2. Mortgageholders

- a. The term mortgageholder includes trustee.
- b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:

- (1) Pays any premium due under this Coverage Part at our request if you have failed to do so;
- (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
- (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:
- (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
 - (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:
- (1) 10 days before the effective date of cancellation if we cancel for your non-payment of premium; or
 - (2) 30 days before the effective date of cancellation if we cancel for any other reason.

- g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item.

1. Agreed Value

- a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.
- b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.
- c. The terms of this Optional Coverage apply only to loss or damage that occurs:
 - (1) On or after the effective date of this Optional Coverage; and
 - (2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

2. Inflation Guard

- a. The Limit of Insurance for property to which this Optional Coverage applies will automatically increase by the annual percentage shown in the Declarations.
- b. The amount of increase will be:
 - (1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times
 - (2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times
 - (3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

EXAMPLE

If: The applicable Limit of Insurance is: \$ 100,000
The annual percentage increase is: 8%
The number of days since the beginning of the policy year (or last policy change) is: 146
The amount of increase is:
 $\$100,000 \times .08 \times 146 \div 365 =$ \$ 3,200

3. Replacement Cost

- a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Loss Condition, Valuation, of this Coverage Form.
- b. This Optional Coverage does not apply to:
- (1) Personal property of others;
 - (2) Contents of a residence; or
 - (3) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac.

Under the terms of this Replacement Cost Optional Coverage, personal property owned indivisibly by all unit-owners, and the property covered under Paragraph **A.1.a.(6)** of this Coverage Form, are not considered to be the personal property of others.

- c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.
- d. We will not pay on a replacement cost basis for any loss or damage:
- (1) Until the lost or damaged property is actually repaired or replaced; and
 - (2) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage.
- e. We will not pay more for loss or damage on a replacement cost basis than the least of (1), (2) or (3), subject to f. below:
- (1) The Limit of Insurance applicable to the lost or damaged property;

(2) The cost to replace the lost or damaged property with other property:

6. This Additional Coverage – Collapse does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
7. This Additional Coverage – Collapse will not increase the Limits of Insurance provided in this Coverage Part.
8. The term Covered Cause of Loss includes the Additional Coverage – Collapse as described and limited in **D.1.** through **D.7.**

E. Additional Coverage – Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria

1. The coverage described in **E.2.** and **E.6.** only applies when the "fungus", wet or dry rot or bacteria is the result of one or more of the following causes that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.
 - a. A "specified cause of loss" other than fire or lightning; or
 - b. Flood, if the Flood Coverage Endorsement applies to the affected premises.
2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:
 - a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
 - b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
 - c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.
3. The coverage described under **E.2.** of this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continues to be present or active, or recurs, in a later policy period.
4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.
5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph **F.2.** (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss Form or under the Additional Coverage – Collapse.
6. The following, **6.a.** or **6.b.**, applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form.

- a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
- b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

2. The Covered Property;
3. Your interest in the Covered Property; or
4. A claim under this Coverage Part.

B. CONTROL OF PROPERTY

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

The breach of any condition of this Coverage Part at any one or more locations will not affect coverage at any location where, at the time of loss or damage, the breach of condition does not exist.

C. INSURANCE UNDER TWO OR MORE COVERAGES

If two or more of this policy's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

D. LEGAL ACTION AGAINST US

No one may bring a legal action against us under this Coverage Part unless:

1. There has been full compliance with all of the terms of this Coverage Part; and
2. The action is brought within 2 years after the date on which the direct physical loss or damage occurred.

E. LIBERALIZATION

If we adopt any revision that would broaden the coverage under this Coverage Part without additional premium within 45 days prior to or during the policy period, the broadened coverage will immediately apply to this Coverage Part.

F. NO BENEFIT TO BAILEE

No person or organization, other than you, having custody of Covered Property will benefit from this insurance.

G. OTHER INSURANCE

1. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this Coverage Part. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering on the same basis.
2. If there is other insurance covering the same loss or damage, other than that described in 1. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

H. POLICY PERIOD, COVERAGE TERRITORY

Under this Coverage Part:

1. We cover loss or damage commencing:
 - a. During the policy period shown in the Declarations; and
 - b. Within the coverage territory.
2. The coverage territory is:
 - a. The United States of America (including its territories and possessions);
 - b. Puerto Rico; and
 - c. Canada.

I. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

If any person or organization to or for whom we make payment under this Coverage Part has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

1. Prior to a loss to your Covered Property or Covered Income.
2. After a loss to your Covered Property or Covered Income only if, at time of loss, that party is one of the following:
 - a. Someone insured by this insurance;
 - b. A business firm:
 - (1) Owned or controlled by you; or
 - (2) That owns or controls you; or
 - c. Your tenant.

This will not restrict your insurance.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

FLORIDA CHANGES

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE PART

A. When this endorsement is attached to Standard Property Policy **CP 00 99**, the term Coverage Part in this endorsement is replaced by the term Policy.

B. The following provision applies when a Coinsurance percentage is shown in the Declarations:

Florida law states as follows:

Coinsurance contract: The rate charged in this policy is based upon the use of the coinsurance clause attached to this policy, with the consent of the Insured.

C. The following is added:

If windstorm is a Covered Cause of Loss and loss or damage to Covered Property is caused by or results from windstorm, the following exclusion applies in:

1. Broward County;
2. Dade County;
3. Martin County;
4. Monroe County;
5. Palm Beach County; and
6. All the areas east of the west bank of the Intracoastal Waterway in the counties of:
 - a. Indian River; and
 - b. St. Lucie.

Windstorm Exterior Paint And Waterproofing Exclusion

We will not pay for loss or damage caused by windstorm to:

1. Paint; or
2. Waterproofing material;

applied to the exterior of buildings unless the building to which such loss or damage occurs also sustains other loss or damage by windstorm in the course of the same storm event. But such coverage applies only if windstorm is a Covered Cause of Loss.

When loss or damage to exterior paint or waterproofing material is excluded, we will not include the value of paint or waterproofing material to determine:

- a. The amount of the Windstorm or Hail Deductible; or
- b. The value of Covered Property when applying the Coinsurance Condition.

D. The **Loss Payment** Condition dealing with the number of days within which we must pay for covered loss or damage is replaced by the following:

Provided you have complied with all the terms of this Coverage Part, we will pay for covered loss or damage upon the earliest of the following:

- (1) Within 20 days after we receive the sworn proof of loss and reach written agreement with you;
- (2) Within 30 days after we receive the sworn proof of loss and:
 - (a) There is an entry of a final judgment; or
 - (b) There is a filing of an appraisal award with us; or
- (3) Within 90 days of receiving notice of an initial, reopened or supplemental claim, unless we deny the claim during that time or factors beyond our control reasonably prevent such payment. If a portion of the claim is denied, then the 90-day time period for payment of claim relates to the portion of the claim that is not denied.

Paragraph (3) applies only to the following:

- (a) A claim under a policy covering residential property;
- (b) A claim for building or contents coverage if the insured structure is 10,000 square feet or less and the policy covers only locations in Florida; or

- (c) A claim for contents coverage under a tenant's policy if the rented premises are 10,000 square feet or less and the policy covers only locations in Florida.

E. Sinkhole Collapse Coverage Removed

Sinkhole Collapse coverage is removed, as indicated in Paragraphs **E.1.** through **E.4.**; and coverage for Catastrophic Ground Cover Collapse is added instead as set forth in Paragraph **F.**

1. In the Causes Of Loss – Basic Form and in the Standard Property Policy, Sinkhole Collapse is deleted from the Covered Causes of Loss and sinkhole collapse is no longer an exception to the Earth Movement Exclusion.
2. In the Causes Of Loss – Broad Form, Sinkhole Collapse is deleted from the Covered Causes of Loss and from the Additional Coverage – Collapse; and sinkhole collapse is no longer an exception to the Earth Movement Exclusion.
3. In the Causes Of Loss – Special Form, Sinkhole Collapse is deleted from the "specified causes of loss" and is no longer an exception to the Earth Movement Exclusion.
4. In the Mortgageholders Errors And Omissions Coverage Form, Sinkhole Collapse is deleted from the Covered Causes of Loss under Coverage **B** and from the "specified causes of loss", and is no longer an exception to the Earth Movement Exclusion.

Further, this Coverage Part does not insure against Sinkhole Loss as defined in Florida law unless an endorsement for Sinkhole Loss is made part of this policy. However, if Sinkhole Loss causes Catastrophic Ground Cover Collapse, coverage is provided for the resulting Catastrophic Ground Cover Collapse even if an endorsement for Sinkhole Loss is not made part of this policy.

- F.** The following is added to this Coverage Part as a Covered Cause of Loss. In the Causes Of Loss – Special Form and Mortgageholders Errors And Omissions Coverage Form, the following is also added as a "specified cause of loss". However, as a "specified cause of loss", the following does not apply to the Additional Coverage – Collapse.

Catastrophic Ground Cover Collapse

We will pay for direct physical loss or damage to Covered Property caused by or resulting from catastrophic ground cover collapse, meaning geological activity that results in all of the following:

1. The abrupt collapse of the ground cover;
2. A depression in the ground cover clearly visible to the naked eye;
3. "Structural damage" to the building, including the foundation; and
4. The insured structure being condemned and ordered to be vacated by the governmental agency authorized by law to issue such an order for that structure.

However, damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute loss or damage resulting from a catastrophic ground cover collapse.

The **Earth Movement** Exclusion and the **Collapse** Exclusion do not apply to coverage for Catastrophic Ground Cover Collapse.

Coverage for Catastrophic Ground Cover Collapse does not increase the applicable Limit of Insurance. Regardless of whether loss or damage attributable to catastrophic ground cover collapse also qualifies as Sinkhole Loss or Earthquake (if either or both of those causes of loss are covered under this Coverage Part), only one Limit of Insurance will apply to such loss or damage.

- G.** The following applies to the **Additional Coverage – Civil Authority** under the Business Income (And Extra Expense) Coverage Form, Business Income (Without Extra Expense) Coverage Form and Extra Expense Coverage Form:

1. The Additional Coverage – Civil Authority includes a requirement that the described premises are not more than one mile from the damaged property. With respect to described premises located in Florida, such one-mile radius does not apply.
2. The Additional Coverage – Civil Authority is limited to a coverage period of up to four weeks. With respect to described premises located in Florida, such four-week period is replaced by a three-week period.
3. Civil Authority coverage is subject to all other provisions of that Additional Coverage.

H. The following provisions are added to the Duties In The Event Of Loss Or Damage Loss Condition:

- (1) A claim, supplemental claim or reopened claim for loss or damage caused by hurricane or other windstorm is barred unless notice of claim is given to us in accordance with the terms of this policy within three years after the hurricane first made landfall or a windstorm other than hurricane caused the covered damage. (Supplemental claim or reopened claim means an additional claim for recovery from us for losses from the same hurricane or other windstorm which we have previously adjusted pursuant to the initial claim.)

This provision concerning time for submission of claim, supplemental claim or reopened claim does not affect any limitation for legal action against us as provided in this policy under the Legal Action Against Us Condition, including any amendment to that condition.

- (2) Any inspection or survey by us, or on our behalf, of property that is the subject of a claim, will be conducted with at least 48 hours' notice to you. The 48-hour notice may be waived by you.

I. The following definition of structural damage is added with respect to the coverage provided under this endorsement:

"Structural damage" means a covered building, regardless of the date of its construction, has experienced the following.

1. Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior building structure or members become unfit for service or represent a safety hazard as defined within the Florida Building Code;

2. Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement related damage to the primary structural members or primary structural systems that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those primary structural members or primary structural systems exceed one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;
3. Damage that results in listing, leaning, or buckling of the exterior load bearing walls or other vertical primary structural members to such an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;
4. Damage that results in the building, or any portion of the building containing primary structural members or primary structural systems, being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or
5. Damage occurring on or after October 15, 2005, that qualifies as substantial structural damage as defined in the Florida Building Code.

H. Limitations On Cancellation And Nonrenewal In The Event Of Hurricane Or Wind Loss - Residential Property

1. The following provisions apply to a policy covering a residential structure or its contents, if such property has sustained damage as a result of a hurricane or windstorm that is the subject of a declaration of emergency by the Governor and filing of an order by the Commissioner of Insurance Regulation:
- a. Except as provided in H.1.b., we may not cancel or nonrenew the policy until at least 90 days after repairs to the residential structure have been substantially completed so that it is restored to the extent that it is insurable by another insurer writing policies in Florida. If we elect to not renew the policy, we will provide at least 100 days' notice that we intend to nonrenew 90 days after the substantial completion of repairs.

- b. We may cancel or nonrenew the policy prior to restoration of the structure, for any of the following reasons:

- (3) We determine that you have unreasonably caused a delay in the repair of the structure; or

2. With respect to a policy covering a residential structure or its contents, any cancellation or nonrenewal that would otherwise take effect during the duration of a hurricane will not take effect until the end of the duration of such hurricane, unless a replacement policy has been obtained and is in effect for a claim occurring during the duration of the hurricane. We may collect premium for the period of time for which the policy period is extended.
3. With respect to **H..2.**, a hurricane is a storm system that has been declared to be a hurricane by the National Hurricane Center of the National Weather Service (hereafter referred to as NHC). The notice must specify the damages in dispute, the amount claimed, and a pre-suit settlement demand. Concurrent with the notice, and as a precondition to filing suit, the “assignee” must provide the Named Insured, the “assignor”, if not the Named Insured, and us a detailed written invoice or estimate of services, including itemized information on equipment, materials, and supplies; the number of labor hours; and, in the case of work performed, proof that the work has been performed in accordance with accepted industry standards;
2. Fully comply with the “assignee’s” duties under this Policy;
3. Participate in Mediation and Appraisal as outlined in the Policy; and
4. Submit to examinations under oath and recorded statements conducted by the insurer or the insurer’s representatives that are reasonably necessary.

FLORIDA CALENDAR YEAR HURRICANE PERCENTAGE DEDUCTIBLE (RESIDENTIAL RISKS)

This endorsement modifies insurance provided under the following:

- BUILDING AND PERSONAL PROPERTY COVERAGE FORM
- CONDOMINIUM ASSOCIATION COVERAGE FORM
- CONDOMINIUM COMMERCIAL UNIT-OWNERS COVERAGE FORM
- STANDARD PROPERTY POLICY

SCHEDULE

Premises Number	Building Number	Hurricane Deductible Percentage – Enter 1%, 2%, 3%, 5% Or 10%
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.		

The Hurricane Deductible, as shown in the Schedule and set forth in this endorsement, applies to covered loss or damage caused directly or indirectly by Hurricane.

Under the terms of this endorsement, a hurricane is a storm system that has been declared to be a hurricane by the National Hurricane Center of the National Weather Service (hereafter referred to as NHC). The Hurricane occurrence begins at the time a hurricane watch or hurricane warning is issued for any part of Florida by the NHC, and ends 72 hours after the termination of the last hurricane watch or hurricane warning issued for any part of Florida by the NHC.

If a windstorm is not declared to be a hurricane and there is loss or damage by windstorm to Covered Property, the applicable deductible is the same deductible that applies to Fire.

Nothing in this endorsement implies or affords coverage for any loss or damage that is excluded under the terms of the Water Exclusion or any other exclusion in this policy. If this policy is endorsed to cover Flood under the Flood Coverage Endorsement (or if you have a flood insurance policy), a separate Flood Deductible applies to loss or damage attributable to Flood, in accordance with the terms of that endorsement or policy.

As used in this endorsement, the terms "specific insurance" and "blanket insurance" have the following meanings: Specific insurance covers each item of insurance (for example, each building or personal property in a building) under a separate Limit of Insurance. Blanket insurance covers two or more items of insurance (for example, a building and personal property in that building, or two buildings) under a single Limit of Insurance. Items of insurance and corresponding Limit(s) of Insurance are shown in the Declarations.

HURRICANE DEDUCTIBLE CALCULATIONS

A. Calculation of the Deductible – All Policies

1. A Hurricane Deductible is calculated separately for, and applies separately to:
 - a. Each building that sustains loss or damage;
 - b. The personal property at each building at which there is loss or damage to personal property;
 - c. Personal property in the open.

If there is damage to both a building and personal property in that building, separate deductibles apply to the building and to the personal property.

The Hurricane Deductible(s), as described above, will apply anew in each calendar year. If the policy period does not coincide with the calendar year, then a separate Hurricane Deductible(s) will apply to loss or damage that occurs during each calendar year in which the policy is in force. For example, if your policy period is from July 1 of calendar year 1 to June 30 of calendar year 2, a separate Hurricane Deductible(s) applies to loss or damage occurring from July 1 to December 31 of calendar year 1 and to loss or damage occurring from January 1 to June 30 of calendar year 2.

2. Subject to Paragraphs **A.3.**, **A.4.** and **A.5.** below, we will not pay for loss or damage until the amount of loss or damage exceeds the applicable Hurricane Deductible. We will then pay the amount of loss or damage in excess of that Deductible, up to the applicable Limit of Insurance, after any reduction required by any of the following: Coinsurance Condition; Agreed Value Optional Coverage; any provision in a Value Reporting Form relating to full reporting or failure to submit reports.
3. When a hurricane results in loss or damage that exhausts the Hurricane Deductible, then that Deductible will not apply to loss or damage from a subsequent hurricane(s) in the same calendar year. In such case, the Deductible that applies to Fire will apply to loss or damage from each subsequent hurricane in that calendar year.

4. When a hurricane(s) results in loss or damage that does not exhaust the Hurricane Deductible, then the Deductible applicable to a subsequent hurricane(s) in the same calendar year will be the Deductible that applies to Fire or the remaining amount of the Hurricane Deductible, whichever is greater. In this situation, the remaining amount of the Hurricane Deductible is determined by subtracting the amount(s) of the aforementioned loss or damage from the Hurricane Deductible.
5. When the Deductible on Fire applies in accordance with Paragraph **A.3.** or **A.4.**, that Deductible is applied to the total of all loss or damage sustained in one hurricane. It does not apply separately to each item of insurance.
6. If an item of insurance is insured under more than one policy issued by us or another insurer in our insurer group for the same policy period and different Hurricane Deductibles apply to the same item of insurance under such policies, then the Hurricane deductible for that item of insurance shall be the highest amount stated in any of the policies.
7. When a renewal policy is issued by us or another insurer in our insurer group, or we issue a policy that replaces our own policy, and the renewal or replacement policy takes effect on a date other than January 1 of a calendar year, the following provisions apply:
 - a. If the renewal or replacement policy provides a **lower** Hurricane Deductible than the prior policy and you already incurred loss or damage from a hurricane that occurred in that calendar year, the lower Hurricane Deductible will not take effect until January 1 of the following calendar year. We will so notify you in writing at the time we offer the lower Hurricane Deductible.
 - b. If the renewal or replacement policy provides a **higher** Hurricane Deductible than the prior policy, the higher Hurricane Deductible will take effect on the effective date of the renewal or replacement policy. However, all foregoing provisions of this endorsement relating to calendar year application of the Hurricane Deductible apply. If hurricane loss or damage was sustained earlier in the calendar year in which the higher Hurricane Deductible now applies, the difference between the higher and lower Hurricane Deductibles will be figured into the calculation of the remainder of the Hurricane Deductible for a subsequent hurricane that occurs in that calendar year.

B. Calculation Of The Deductible – Specific Insurance Other Than Builders' Risk

1. Property Not Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to 1%, 2%, 3%, 5% or 10% (as shown in the Schedule) of the Limit(s) of Insurance applicable to the property that has sustained loss or damage.

2. Property Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to 1%, 2%, 3%, 5% or 10% (as shown in the Schedule) of the value(s) of the property that has sustained loss or damage. The value(s) to be used are the latest value(s) shown in the most recent Report of Values on file with us.

However:

- a. If the most recent Report of Values shows less than the full value(s) of the property on the report dates, we will determine the deductible amount as a percentage of the full value(s) as of the report dates.
- b. If the first Report of Values is not filed with us prior to loss or damage, we will determine the deductible amount as a percentage of the applicable Limit(s) of Insurance.

C. Calculation Of The Deductible – Blanket Insurance Other Than Builders' Risk

1. Property Not Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to 1%, 2%, 3%, 5% or 10% (as shown in the Schedule) of the value(s) of the property that has sustained loss or damage. The value(s) to be used are those shown in the most recent Statement of Values on file with us.

2. Property Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for property that has sustained loss or damage, we will deduct an amount equal to 1%, 2%, 3%, 5% or 10% (as shown in the Schedule) of the value(s) of that property as of the time of loss or damage.

D. Calculation Of The Deductible – Builders' Risk Insurance

1. Builders' Risk Other Than Reporting Form

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to 1%, 2%, 3%, 5% or 10% (as shown in the Schedule) of the actual cash value(s) of that property as of the time of loss or damage.

2. Builders' Risk Reporting Form

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to 1%, 2%, 3%, 5% or 10% (as shown in the Schedule) of the value(s) of the property that has sustained loss or damage. The value(s) to be used are the actual cash value(s) shown in the most recent Report of Values on file with us.

However:

- a. If the most recent Report of Values shows less than the actual cash value(s) of the property on the report date, we will determine the deductible amount as a percentage of the actual cash value(s) as of the report date.
- b. If the first Report of Values is not filed with us prior to loss or damage, we will determine the deductible amount as a percentage of the actual cash value(s) of the property as of the time of loss or damage.

E. Calculation Of The Deductible – Property Covered Under The Coverage Extension For Newly Acquired Or Constructed Property

The following applies when property is covered under the Coverage Extension for Newly Acquired or Constructed Property:

In determining the amount, if any, that we will pay for loss or damage to such property, we will deduct an amount equal to a percentage of the value(s) of the property at time of loss. The applicable percentage for Newly Acquired or Constructed Property is the highest percentage shown.

EXAMPLES – APPLICATION OF DEDUCTIBLE (ONE HURRICANE OCCURRING DURING A CALENDAR YEAR)

EXAMPLE #1 – SPECIFIC INSURANCE (B.1.)

The amount of loss to the damaged building is \$60,000.

The value of the damaged building at time of loss is \$100,000. The Coinsurance percentage shown in the Declarations is 80%; the minimum Limit of Insurance needed to meet the coinsurance requirement is \$80,000 (80% of \$100,000).

The **actual** Limit of Insurance on the damaged building is \$70,000.

The Deductible is 1%.

Step (1): $\$70,000 \div \$80,000 = .875$

Step (2): $\$60,000 \times .875 = \$52,500$

Step (3): $\$70,000 \times 1\% = \700

Step (4): $\$52,500 - \$700 = \$51,800$

The most we will pay is \$51,800. The remainder of the loss, \$8,200, is not covered due to the Coinsurance penalty for inadequate insurance (Steps (1) and (2)) and the application of the Deductible (Steps (3) and (4)).

EXAMPLE #2 – SPECIFIC INSURANCE (B.1.)

The amounts of loss to the damaged property are \$60,000 (building) and \$40,000 (personal property in building).

The value of the damaged building at time of loss is \$100,000. The value of the personal property in that building is \$80,000. The Coinsurance percentage shown in the Declarations is 80%; the minimum Limits of Insurance needed to meet the coinsurance requirement are \$80,000 (80% of \$100,000) for the building and \$64,000 (80% of \$80,000) for the personal property.

The **actual** Limits of Insurance on the damaged property are \$80,000 on the building and \$64,000 on the personal property (therefore no Coinsurance penalty).

The Deductible is 2%.

BUILDING

Step (1): $\$80,000 \times 2\% = \$1,600$

Step (2): $\$60,000 - \$1,600 = \$58,400$

PERSONAL PROPERTY

Step (1): $\$64,000 \times 2\% = \$1,280$

Step (2): $\$40,000 - \$1,280 = \$38,720$

The most we will pay is \$97,120. The portion of the total loss not covered due to application of the Deductible is \$2,880.

EXAMPLE #3 – BLANKET INSURANCE (C.1.)

The sum of the values of Building #1 (\$500,000), Building #2 (\$500,000) and Building #3 (\$1,000,000), as shown in the most recent Statement of Values on file with us, is \$2,000,000.

The Coinsurance percentage shown in the Declarations is 90%; the minimum Blanket Limit of Insurance needed to meet the coinsurance requirement is \$1,800,000 (90% of \$2,000,000).

The **actual** Blanket Limit of Insurance covering Buildings #1, #2, and #3, shown in the Declarations, is \$1,800,000 (therefore no Coinsurance penalty).

Buildings #1 and #2 have sustained damage; the amounts of loss to these buildings are \$40,000 (Building #1) and \$20,000 (Building #2).

The Deductible is 2%.

BUILDING #1

Step (1): $\$500,000 \times 2\% = \$10,000$

Step (2): $\$40,000 - \$10,000 = \$30,000$

BUILDING #2

Step (1): $\$500,000 \times 2\% = \$10,000$

Step (2): $\$20,000 - \$10,000 = \$10,000$

The most we will pay is \$40,000. The portion of the total loss not covered due to application of the Deductible is \$20,000.

EXAMPLE #4 – BLANKET INSURANCE (C.1.)

The sum of the values of Building #1 (\$500,000), Building #2 (\$500,000), Personal Property at Building #1 (\$250,000) and Personal Property at Building #2 (\$250,000), as shown in the most recent Statement of Values on file with us, is \$1,500,000.

The Coinsurance percentage shown in the Declarations is 90%; the minimum Blanket Limit of Insurance needed to meet the coinsurance requirement is \$1,350,000 (90% of \$1,500,000).

The **actual** Blanket Limit of Insurance covering Buildings #1 and #2 and Personal Property at Buildings #1 and #2, shown in the Declarations, is \$1,350,000. Therefore there is no Coinsurance penalty.

Building #1 and Personal Property at Building #1 have sustained damage; the amounts of loss are \$95,000 (Building) and \$5,000 (Personal Property).

The Deductible is 3%.

BUILDING

Step (1): $\$500,000 \times 3\% = \$15,000$

Step (2): $\$95,000 - \$15,000 = \$80,000$

PERSONAL PROPERTY

Step (1): $\$250,000 \times 3\% = \$7,500$

The loss, \$5,000, does not exceed the deductible.

The most we will pay is \$80,000. The remainder of the building loss, \$15,000, is not covered due to application of the Deductible. There is no loss payment for the personal property.

**EXAMPLES – APPLICATION OF DEDUCTIBLE
(TWO OR MORE HURRICANES OCCURRING
DURING A CALENDAR YEAR)**

EXAMPLE #1 – SPECIFIC INSURANCE (B.1.)

**Hurricane A Occurs On September 1 Of A
Calendar Year**

The amounts of loss to the damaged buildings are \$20,000 to Building #1 and \$10,000 to Building #2.

The value of damaged Building #1 at time of loss is \$50,000 and the value of damaged Building #2 at time of loss is \$100,000. The coinsurance percentage shown in the Declarations is 80%; the minimum Limits of Insurance needed to meet the coinsurance requirements are \$40,000 for Building #1 (80% of \$50,000) and \$80,000 for Building #2 (80% of \$100,000).

The **actual** Limits of Insurance on the damaged buildings are \$40,000 for Building #1 and \$80,000 for Building #2 (therefore no coinsurance penalty).

The Deductible on Fire is \$1,000.

The Hurricane Deductible is 5%.

BUILDING #1

Step (1) $\$40,000 \times 5\% = \$2,000$ (Calendar Year Hurricane Deductible)

Step (2) $\$20,000 - \$2,000$ deductible = \$18,000

BUILDING #2

Step (1) $\$80,000 \times 5\% = \$4,000$ (Calendar Year Hurricane Deductible)

Step (2) $\$10,000 - \$4,000$ deductible = \$6,000

The most we will pay is \$24,000. The portion of the loss not covered due to application of the deductible is \$6,000. The total loss (\$30,000) exceeds the Hurricane Deductible of \$6,000. The Hurricane Deductible is exhausted.

**Hurricane B Occurs On October 1 Of The Same
Calendar Year**

The amounts of loss to the damaged buildings are \$3,000 to Building #1 and \$5,000 to Building #2. Because the Hurricane Deductible applicable to each building was exceeded by the amount of loss incurred in Hurricane A, the Deductible that applies to Fire (\$1,000) will apply to the loss. Therefore, we will pay \$7,000 ($\$8,000 - \$1,000 = \$7,000$).

EXAMPLE #2 – SPECIFIC INSURANCE (B.1.)

**Hurricane A Occurs On October 1 Of A Calendar
Year**

The amount of loss to damaged Building #1 is \$20,000.

The value of Building #1 at time of loss is \$1,000,000. The coinsurance percentage shown in the Declarations is 80%; the minimum Limit of Insurance needed to meet the coinsurance requirement is \$800,000 (80% of \$1,000,000).

The **actual** Limit of Insurance on the damaged property is \$800,000 (therefore no coinsurance penalty).

The Deductible on Fire is \$1,000.

The Hurricane Deductible is 5%.

$\$800,000 \times 5\% = \$40,000$ (Calendar Year Hurricane Deductible)

We will not pay for loss or damage since the amount of loss (\$20,000) did not exceed the Hurricane Deductible (\$40,000). The loss of \$20,000 is subtracted from the Hurricane Deductible. The remaining amount of Hurricane Deductible applicable to such subsequent claims is \$20,000.

**Hurricane B Occurs On November 1 Of The Same
Calendar Year**

The amount of loss to damaged Building #1 is \$80,000. The remaining amount of the Hurricane Deductible (\$20,000) is applied to the loss of \$80,000. The amount that we will pay is \$60,000. The Hurricane Deductible is exhausted.

**Hurricane C Occurs On December 1 Of The Same
Calendar Year**

The amount of loss to damaged Building #1 is \$35,000.

Since the Hurricane Deductible is exhausted, the Deductible that applies to Fire (\$1,000) applies to the loss. The amount that we will pay is \$34,000.

FLORIDA CHANGES – MEDIATION AND APPRAISAL (COMMERCIAL RESIDENTIAL PROPERTY)

This endorsement modifies insurance provided under the following:

BUILDERS RISK COVERAGE FORM (COMMERCIAL PROPERTY COVERAGE PART)
BUILDING AND PERSONAL PROPERTY COVERAGE FORM
CONDOMINIUM ASSOCIATION COVERAGE FORM
CONDOMINIUM COMMERCIAL UNIT-OWNERS COVERAGE FORM
STANDARD PROPERTY POLICY

Other words and phrases that appear in quotation marks have special meaning. Refer to Section **D., Definitions**.

With respect to a loss to commercial residential property, the following replaces the **Appraisal Condition**:

Mediation, Appraisal Process For Named Insured And Third-Party Representatives Other Than An “Assignee”, And Appraisal Process For An “Assignee”

A. Mediation

If we and either the first Named Insured or a third party who is an “assignee” of benefits under the policy are engaged in a dispute regarding a claim, either the first Named Insured, the third-party “assignee” or we may request a mediation of the loss in accordance with the rules established by the Florida Department of Financial Services. However, we are not required to participate in any mediation requested by a third-party “assignee”. The loss amount must be \$500 or more, prior to application of the deductible; or there must be a difference of \$500 or more between the loss settlement amount we offer and the loss settlement amount that the first Named Insured requests. If the dispute is mediated, the settlement in the course of mediation is binding only if both parties agree, in writing, on a settlement, and the first Named Insured has not rescinded the settlement within three business days after reaching settlement. The first Named Insured may not rescind the settlement after cashing or depositing the settlement check or draft we provided to the first Named Insured.

We will pay the cost of conducting the mediation conference. However, if:

1. The first Named Insured fails to appear at the mediation conference and the first Named Insured wishes to schedule a new conference after failing to appear, then the new conference will be scheduled only upon payment by the first Named Insured of a sum equal to the fees we paid for the mediation conference at which the first Named Insured failed to appear. This sum will then be applied to the cost of the rescheduled mediation conference, and we will pay the balance, if any, of the cost of conducting the rescheduled mediation conference; or
2. We fail to appear at a mediation conference without good cause, we will pay the actual cash expenses the first Named Insured incurs in attending the mediation conference and also pay the total cost of the rescheduled mediation conference.

B. Appraisal Process For Named Insured And Third-Party Representatives Other Than An “Assignee”

If the Named Insured or the Named Insured’s agents, representatives, including any public adjusters engaged on the behalf of the Named Insured, and we fail to agree on the amount of the loss, including the amount to repair or replace each item of damaged Covered Property and the actual cash value and/or replacement cost of each item of damaged Covered Property, any party may demand an appraisal of the loss in writing.

To use the appraisal process, the following condition must first be met:

1. the Named Insured or the Named Insured's agents, representatives, including any public adjusters engaged on the behalf of the Named Insured, request appraisal in writing, we must agree to the appraisal in writing. If we request the appraisal in writing, the Named Insured or the Named Insured's agents, representatives, including any public adjusters engaged on the behalf of the Named Insured, must agree to the appraisal in writing. The amount in dispute must be greater than \$500.

A request for appraisal must be in writing and include a description of each item of damaged Covered Property in dispute and the extent of the damage to each item of damaged Covered Property, amount to repair or replace each item of damaged Covered Property, the actual cash value and replacement cost of each item of damaged Covered Property, and a disclosure of any referral fees that are, in any way, associated with the claim.

The appraisal process shall only consider covered damages, including work performed by "assignees", associated with the claim for which a settlement has not been reached, regardless of whether invoices have been submitted or not.

Each party will choose a competent and impartial appraiser within 15 days after receiving a written request from the other. An impartial appraiser must be unbiased, disinterested, and unswayed by personal interest, not favoring one side more than another. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 10 days, the Named Insured or the Named Insured's agents, representatives, including any public adjusters engaged on the behalf of the Named Insured, or we may request that the choice be made by a judge of a court of record in the County where the premises described in the Declarations is located. The appraisers will separately set the amount of the loss, including a description of each item of damaged Covered Property in dispute and the extent of the damage to each item of damaged Covered Property, amount to repair or replace each item of damaged Covered Property, the actual cash value and replacement cost of each item of damaged Covered Property, and a disclosure of any referral fees that are, in any way, associated with the claim.

If the appraisers submit a written and itemized report of an agreement to us that includes a description of each item of damaged Covered Property in dispute and the extent of the damage to each item of damaged Covered Property, amount to repair or replace each item of damaged Covered Property, the actual cash value and

replacement cost of each item of damaged Covered Property, and a disclosure of any referral fees that are, in any way, associated with the claim, the amount agreed upon will be the amount of the loss.

If the appraisers fail to agree, they will submit their itemized differences, including a description of each item of damaged Covered Property in dispute and the extent of the damage to each item of damaged Covered Property, amount to repair or replace each item of damaged Covered Property, the actual cash value and replacement cost of each item of damaged Covered Property, and a disclosure of any referral fees that are, in any way, associated with the claim, to the umpire. A decision agreed to by any two will set the amount of the loss.

Within 45 days of the initial written request for appraisal, the appraisal process shall be concluded and an itemized appraisal award, including a description of each item of damaged Covered Property in dispute and the extent of the damage to each item of damaged Covered Property, amount to repair or replace each item of damaged Covered Property, the actual cash value and replacement cost of each item of damaged Covered Property, and a disclosure of any referral fees that are, in any way, associated with the claim, shall be executed and delivered to all parties.

If the appraisal is not concluded within 45 days of the initial written request for appraisal, either:

The appraisal process ceases and there is no appraisal award; or

The parties may agree in writing to extend the appraisal process for a specified period of time.

Each party will:

1. Pay its own appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.

For the purposes of this provision, a description of a set of items will satisfy the requirement to provide "a description of each item of damage Covered Property", only if the total actual cash value of the set of items is \$100 or less.

If there is an appraisal, we will still retain our right to deny the claim.

C. Appraisal Process For An "Assignee"

If the "assignee" and we fail to agree on the amount of the loss, including the amount to repair or replace each item of damaged Covered Property and the actual cash value and/or replacement cost of each item of damaged Covered Property, any party may demand an appraisal of the loss in writing.

To use the appraisal process, the following condition must first be met:

1. If the “assignee” requests an appraisal in writing, we must agree to the appraisal in writing. If we request the appraisal in writing, the “assignee” must agree to the appraisal in writing. The amount in dispute must be greater than \$500.

A request for appraisal must be in writing and include a description of each item of damaged Covered Property in dispute and the extent of the damage to each item of damaged Covered Property, amount to repair or replace each item of damaged Covered Property, the actual cash value and replacement cost of each item of damaged Covered Property, and a disclosure of any referral fees that are, in any way, associated with the claim.

The appraisal process shall only consider covered damages associated with the claim for which a settlement has not been reached, regardless of whether invoices have been submitted or not.

Each party will choose a competent and impartial appraiser within 15 days after receiving a written request from the other. An impartial appraiser must be unbiased, disinterested, and unswayed by personal interest, not favoring one side more than another. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 10 days, the “assignee” or we may request that the choice be made by a judge of a court of record in the County where the premises described in the Declarations is located. The appraisers will separately set the amount of the loss, including a description of each item of damaged Covered Property in dispute and the extent of the damage to each item of damaged Covered Property, amount to repair or replace each item of damaged Covered Property, the actual cash value and replacement cost of each item of damaged Covered Property, and a disclosure of any referral fees that are, in any way, associated with the claim.

If the appraisers submit a written and itemized report of an agreement to us that includes a description of each item of damaged Covered Property in dispute and the extent of the damage to each item of damaged Covered Property, amount to repair or replace each item of damaged Covered Property, the actual cash value and replacement cost of each item of damaged Covered Property, and a disclosure of any referral fees that are, in any way, associated with the claim, the amount agreed upon will be the amount of the loss.

If the appraisers fail to agree, they will submit their itemized differences, including a description of

of each item of damaged Covered Property in dispute and the extent of the damage to each item of damaged Covered Property, amount to repair or replace each item of damaged Covered Property, the actual cash value and replacement cost of each item of damaged Covered Property, and a disclosure of any referral fees that are, in any way, associated with the claim, to the umpire. A decision agreed to by any two will set the amount of the loss.

Within 45 days of the initial written request for appraisal, the appraisal process shall be concluded and an itemized appraisal award, including a description of each item of damaged Covered Property in dispute and the extent of the damage to each item of damaged Covered Property, amount to repair or replace each item of damaged Covered Property, the actual cash value and replacement cost of each item of damaged Covered Property, and a disclosure of any referral fees that are, in any way, associated with the claim, shall be executed and delivered to all parties.

If the appraisal is not concluded within 45 days of the initial written request for appraisal, either:

The appraisal process ceases and there is no appraisal award; or

The parties may agree in writing to extend the appraisal process for a specified period of time.

Each party will:

1. Pay its own appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.

For the purposes of this provision, a description of a set of items will satisfy the requirement to provide “a description of each item of damage Covered Property”, only if the total actual cash value of the set of items is \$100 or less.

If there is an appraisal, we will still retain our right to deny the claim.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

PLATINUM PREFERRED SAVINGS PROGRAM

THIS ENDORSEMENT ALLOWS US AT OUR OPTION TO SELECT A QUALIFIED PRE-APPROVED "CONTRACTOR" TO MAKE COVERED REPAIRS TO YOUR BUILDINGS OR STRUCTURES.

You agree that in the event of a covered loss to your covered building(s) or structure(s) described in the Declarations other than a hurricane loss or sinkhole loss:

We at our option may select a pre-approved "contractor" to repair your damaged property as provided by the policy.

If we so elect to repair your covered property, a deductible credit equal to ten percent (10%) of your All Other Perils deductible specified in the Declarations will be applied to reduce your deductible obligation at loss settlement.

This credit does not reduce the applicable deductible under the policy. The credit will apply only when the amount of a covered loss exceeds the applicable deductible. You will be responsible for paying the amount of the deductible, (less the deductible credit as applicable), to the pre-approved "contractor".

In addition, the following provisions of the policy and its endorsements where applicable, are changed:

Section H., Definitions

Under Section H. Definitions, paragraph 3. is added to Coverage Form **CP 00 17**, and paragraph 4. is added to Coverage Form **CP 00 10**:

"Contractor" means a properly licensed person or company that effectuates the construction, repair or restoration of property.

Section E. Loss Conditions

Under 3. **Duties In The Event Of Loss Or Damage**, for losses other than hurricane and sinkhole, paragraph a. (4) is deleted and replaced by the following:

- (4) In the event of a Covered Cause of Loss, you must take all reasonable steps to protect covered property by notifying us before authorizing or commencing repairs so we, at our option, may select a pre-approved "contractor" to make the covered repairs. If you do not so notify us and allow us, at our option, to select a pre-approved "contractor" for the covered repairs, no deductible credit will apply and our obligation for repairs made to protect the covered property from further damage is limited to the lesser of the following:
- (a) The reasonable cost you incur for necessary repairs made solely to protect the property from further damage; or
 - (b) The amount we would have paid to a pre-approved "contractor" selected by us for necessary repairs made solely to protect the covered property from further damage.

This will not increase the Limit of Insurance. Also, if feasible, set the damaged property aside and in the best possible order for examination, and keep a record of your expenses necessary to protect the Covered Property.

Under 3.a., **Duties In The Event Of Loss Or Damage**, for losses other than hurricane and sinkhole, paragraphs (9), (10), (11) and (12) are added:

- (9) Our right to repair or replace under the PLATINUM PREFERRED SAVINGS PROGRAM, and our decision to do so, are material parts of this contract and under no circumstances relieves you or us of our mutual duties and obligations under this contract.
- (10) You must permit us to take samples of the damaged and undamaged property for inspection, testing and analysis.
- (11) You must provide access to the property.
- (12) You must otherwise reasonably cooperate with repairs to the property.

Under **4. Loss Payment.** The following Paragraphs **a (5) (a), (b), (c)** are added:

- (5)** If we elect to repair your covered building(s) or structure(s):
 - (a)** We will disregard the Loss Payment provisions **a. (1) – (4)**; and
 - (b)** We will make payment directly to the pre-approved “contractor” designated by us, less the amount of your deductible as reduced by any applicable deductible credit; or,
 - (c)** If you choose not to use our pre-approved “contractor” to perform the covered repairs, we will pay you the same amount our PLATINUM PREFERRED SAVINGS PROGRAM pre-approved “contractor” would have received less any applicable deductible without credit as final payment for the loss.
 - (d)** You will be responsible for paying to the “contractor” the amount of your deductible less any applicable deductible credit.

"Specified Causes of Loss" also means "Equipment Breakdown".

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

**LIMITED ORDINANCE OR LAW –
EXTENSION OF COVERAGE**

This endorsement modifies insurance provided under the following:

BUILDING AND PERSONAL PROPERTY COVERAGE FORM
CONDOMINIUM ASSOCIATION COVERAGE FORM

SCHEDULE*

Bldg. No./ Prem. No.	Coverage A, B And C Maximum Combined Limit Of Insurance.
/ /	
*Information required to complete the Schedule, if not shown on this endorsement, will be shown in the Declarations.	

Except as otherwise provided, the following extension applies to property described in the Declarations.

A. Application Of Coverage(s)

The Coverage(s) provided by this endorsement apply only if both **A.1.** and **A.2.** are satisfied and are then subject to the qualifications set forth in **A.3.**

- 1. The ordinance or law:
 - a. Regulates the demolition, construction or repair of buildings, or establishes zoning or land use requirements at the described premises; and
 - b. Is in force at the time of loss.

But coverage under this endorsement applies only in response to the minimum requirements of the ordinance or law. Losses and costs incurred in complying with recommended actions or standards that exceed actual requirements are not covered under this endorsement.

- 2.a. The building sustains direct physical damage that is covered under this policy and such damage results in enforcement of the ordinance or law; or
- b. The building sustains both direct physical damage that is covered under this policy and direct physical damage that is not covered under this policy, and the building damage in its entirety results in enforcement of the ordinance or law.

c. But if the building sustains direct physical damage that is not covered under this policy, and such damage is the subject of the ordinance or law, then there is no coverage under this endorsement even if the building has also sustained covered direct physical damage.

- 3. In the situation described in **A.2.b.** above, we will not pay the full amount of loss otherwise payable under the terms of Coverages **A, B,** and/or **C** of this endorsement. Instead, we will pay a proportion of such loss; meaning the proportion that the covered direct physical damage bears to the total direct physical damage.

(Section **G.** of this endorsement provides an example of this procedure.)

However, if the covered direct physical damage, alone, would have resulted in enforcement of the ordinance or law, then we will pay the full amount of loss otherwise payable under the terms of Coverages **A, B** and/or **C** of this endorsement.

- B.** We will not pay under Coverage **A, B** or **C** of this endorsement for:

1. Enforcement of any ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
2. The costs associated with the enforcement of any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

C. Coverage

1. Coverage A – Coverage For Loss To The Undamaged Portion Of The Building

With respect to the building that has sustained covered direct physical damage, we will pay under Coverage **A** for the loss in value of the undamaged portion of the building as a consequence of enforcement of an ordinance or law that requires demolition of undamaged parts of the same building.

2. Coverage B – Demolition Cost Coverage

With respect to the building that has sustained covered direct physical damage, we will pay the cost to demolish and clear the site of undamaged parts of the same building, as a consequence of enforcement of an ordinance or law that requires demolition of such undamaged property.

The Coinsurance Additional Condition does not apply to Demolition Cost Coverage.

3. Coverage C – Increased Cost Of Construction Coverage

a. With respect to the building that has sustained covered direct physical damage, we will pay the increased cost to:

- (1) Repair or reconstruct damaged portions of that building; and/or
- (2) Reconstruct or remodel undamaged portions of that building, whether or not demolition is required;

when the increased cost is a consequence of enforcement of the minimum requirements of the ordinance or law.

However:

- (1) This coverage applies only if the restored or remodeled property is intended for similar occupancy as the current property, unless such occupancy is not permitted by zoning or land use ordinance or law.

- (2) We will not pay for the increased cost of construction if the building is not repaired, reconstructed or remodeled.

The Coinsurance Additional Condition does not apply to Increased Cost of Construction Coverage.

b. When a building is damaged or destroyed and Coverage **C** applies to that building in accordance with **3.a.** above, coverage for the increased cost of construction also applies to repair or reconstruction of the following, subject to the same conditions stated in **3.a.**:

- (1) The cost of excavations, grading, back-filling and filling;
- (2) Foundation of the building;
- (3) Pilings; and
- (4) Underground pipes, flues and drains.

The items listed in **b.(1)** through **b.(4)** above are deleted from Property Not Covered, but only with respect to the coverage described in this Provision, **3.b.**

D. Loss Payment

1. All following loss payment Provisions are subject to the apportionment procedures set forth in Section **A.3.** of this endorsement.
2. Coverage A, Coverage B and Coverage C is included within the Limit of Insurance shown in the Declaration as applicable to the covered building. Coverage A, Coverage B and Coverage C does not increase the Limit of Insurance. The most we will pay, for the total of all covered losses is the Combined Limit of Insurance shown for Coverages A, B and C in the Schedule above. Subject to this Combined Limit of Insurance, the following loss payment provisions apply:
 - a. When there is a loss in value of an undamaged portion of a building to which Coverage **A** applies, the loss payment for that building, including damaged and undamaged portions, will be determined as follows:
 - (1) If the Replacement Cost Coverage Option applies and the property is being repaired or replaced, on the same or another premises, we will not pay more than the lesser of:

- (a) The amount you would actually spend to repair, rebuild or reconstruct the building, but not for more than the amount it would cost to restore the building on the same premises and to the same height, floor area, style and comparable quality of the original property insured; or
 - (b) The Limit of Insurance shown in the Declarations as applicable to the covered building.
- (2) If the Replacement Cost Coverage Option applies and the property is **not** repaired or replaced, or if the Replacement Cost Coverage Option does **not** apply, we will not pay more than the lesser of:
- (a) The actual cash value of the building at the time of loss; or
 - (b) The Limit of Insurance shown in the Declarations as applicable to the covered building.
- b. For Demolition Cost, we will not pay more than the amount you actually spend to demolish and clear the site of the described premises.
- c. With respect to the Increased Cost of Construction:
- (1) We will not pay for the increased cost of construction:
 - (a) Until the property is actually repaired or replaced, at the same or another premises; and
 - (b) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - (2) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the same premises.
 - (3) If the ordinance or law requires relocation to another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the new premises.
- E. The terms of this endorsement apply separately to each building to which this endorsement applies.
- F. Under this endorsement we will not pay for loss due to any ordinance or law that:

- 1. You were required to comply with before the loss, even if the building was undamaged; and
 - 2. You failed to comply with.
- G. Example of Proportionate Loss Payment for Ordinance Or Law Coverage Losses (procedure as set forth in Section **A.3.** of this endorsement.)

Assume:

- Wind is a Covered Cause of Loss; Flood is an excluded Cause of Loss
- The building has a value of \$200,000
- Total direct physical damage to building: \$100,000
- The ordinance or law in this jurisdiction is enforced when building damage equals or exceeds 50% of the building's value
- Portion of direct physical damage that is covered (caused by wind): \$30,000
- Portion of direct physical damage that is not covered (caused by flood): \$70,000
- Loss under Ordinance Or Law Coverage **C** of this endorsement: \$60,000

Step 1:

Determine the proportion that the covered direct physical damage bears to the total direct physical damage.

$$\$30,000 \div \$100,000 = .30$$

Step 2:

Apply that proportion to the Ordinance or Law loss.

$$\$60,000 \times .30 = \$18,000$$

In this example, the most we will pay under this endorsement for the Coverage **C** loss is \$18,000, subject to the applicable Limit of Insurance and any other applicable provisions.

Note: The same procedure applies to losses under Coverages **A** and **B** of this endorsement.

- I. The following definition is added:

"Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.

- EQUIPMENT BREAKDOWN COVERAGE PART
- FARM COVERAGE PART

SCHEDULE

The **Exception Covering Certain Fire Losses** (Paragraph **C**) applies to property located in the following state(s), if covered under the indicated Coverage Form, Coverage Part or Policy:

State(s)	Coverage Form, Coverage Part Or Policy

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

A. The following definition is added with respect to the provisions of this endorsement:

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

B. The following exclusion is added:

CERTIFIED ACT OF TERRORISM EXCLUSION

We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

C. Exception Covering Certain Fire Losses

The following exception to the exclusion in Paragraph **B.** applies only if indicated and as indicated in the Schedule of this endorsement.

If a "certified act of terrorism" results in fire, we will pay for the loss or damage caused by that fire. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements which apply to those forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

D. Application Of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

Repairs Related To “Urgent or Emergency Circumstance”

Subject to Paragraph (1) below, we will pay for reasonable emergency repairs required to mitigate against further damage or protect, repair, restore, or replace Covered Property caused by a Covered Cause of Loss that occurs during the policy period.

- (1) If an “assignor” executes an “assignment agreement” to protect, repair, restore, or replace Covered Property or to mitigate against further damage to Covered Property as a result of an “urgent or emergency circumstance”, an “assignee” may not receive an assignment of post-loss benefits under this Policy in excess of \$6,000 without the expressed written consent of the Insurer.

With respect to a loss to Covered Property, the following conditions are added to the **Loss Conditions** section when an “Assignment Agreement” is executed after a Covered Cause of Loss.

“Assignee’s” Duties After Loss

In case of a loss to covered property, we owe no duty to provide coverage under this Policy to an “assignee” if there is failure by the “assignee” to comply with any of the following duties. These duties must be performed by the “assignee”.

Pursuant to Florida law, in a claim arising under an “assignment agreement”, an “assignee” has the burden to demonstrate that we are not prejudiced by the “assignee’s” failure to perform the duties **a.** through **d.** below.

An “assignee” must:

- a.** Cooperate with us in the investigation of a claim;
- b.** Maintain records of all services provided under the valid “assignment agreement”;
- c.** Provide the insurer with requested records and documents related to the services provided, and permit the insurer to make copies of such records and documents;
This includes providing accurate and up-to-date revised estimates of the scope of work to be performed as supplemental or additional repairs are required;
- d.** Deliver a copy of the executed, valid “assignment agreement” to the insurer within 3 business days after executing the valid “assignment agreement” or within 3 business days after work has begun, whichever is earlier; and
- e.** Perform the work in accordance with accepted industry standards;

An “assignment agreement” that does not comply with Florida Law is invalid and unenforceable.

“Assignment Agreement” Delivery Requirements

An “assignee” must provide a copy of the executed, valid “assignment agreement” to the insurer within 3 business days after the date on which the valid “assignment agreement” is executed or the date on which work begins, whichever is earlier. Delivery of the copy of the valid “assignment agreement” to the insurer may be made by personal service, overnight delivery, or electronic transmission, with evidence of delivery in the form of a receipt or other paper or electronic acknowledgment by the insurer or to the locations designated below:

“Assignee” Pre-Suit Notice Requirements

An “assignee” must provide the Named Insured, insurer, and the “assignor”, if not the Named Insured, with a written notice of intent to initiate litigation before filing suit under the Policy. Such notice must be served by certified mail, return receipt requested, or electronic delivery at least 10 business days before filing suit, but may not be served before the insurer has made a determination of coverage under the **Loss Payment** Condition of this Policy. The notice must specify the damages in dispute, the amount claimed, and a pre-suit settlement demand. Concurrent with the notice, and as a precondition to filing suit, the “assignee” must provide the Named Insured, insurer, and the “assignor”, if not the Named Insured, a detailed written invoice or estimate of services, including itemized information on equipment, materials, and supplies; the number of labor hours; and, in the case of work performed, proof that the work has been performed in accordance with accepted industry standards.

Legal Action Against Us

If the Named Insured or the Named Insured’s agents, representatives, including any public adjusters engaged on the behalf of the Named Insured, and we fail to agree on the settlement regarding the loss, prior to filing suit, the above-named parties must:

1. Notify us of the disagreement in writing;
2. Fully comply with all the terms of this Policy; and
3. Participate in Mediation and Appraisal as outlined in the Policy.

However, only with respect to disagreements between us and the first Named Insured, the first Named Insured is not required to submit to, or participate in, any appraisal of the loss as a precondition to action against us for failure to pay the loss, if we:

1. Requested mediation and either we or the first Named Insured rejected the mediation result; or
2. Failed to notify the first Named Insured of the first Named Insured’s right to participate in the mediation program.

No action can be brought against us unless there has been full compliance with all of the terms under this Policy and the action is started within 5

years after the date of loss.

Legal Action Against Us By An “Assignee”

If there is a valid “assignment agreement” and the “assignee” and we fail to agree on the settlement regarding the loss, prior to filing suit, an “assignee” must:

1. Notify us of the disagreement regarding the settlement of the loss in writing;
2. Fully comply with the duties in accordance with Florida Law and the “assignee’s” duties under this Policy; and
3. Participate in Mediation and Appraisal as outlined in the Policy.

No action can be brought against us unless there has been full compliance with all of the terms under this Policy and the action is started within 5 years after the date of loss.
